Atty. Docket No. 47955-00002

AMENDMENT TO THE CLAIMS

Cancel claims 1-5, 19-22 and 24.

Listing of Claims:

Claim 6 (amended) A method comprising

positioning a first tray cart containing trays at the proximate end of a scanning device through which objects may be passed, wherein said scanning device comprises a proximate end and a distal end,

removing a tray from said first tray cart,

passing said tray through said scanning device from said proximate end through to said distal end,

providing a second tray cart at said distal end of said scanning device,

receiving said tray passed through said scanning device in said second tray cart, and

moving said second cart to said proximate end of said scanning device so that said trays in said second cart can be passed through said scanning device at said proximate end.

Claim 7 (original) The method of claim 6, wherein said scanning device comprises a device selected from the group consisting of a manual inspection station, an x-ray machine, a conveyor belt, and a particulate matter sensor.

Claim 8 (original) The method of claim 6, wherein a plurality of said trays comprises nestable trays.

Claim 9 (original) The method of claim 8, wherein said nestable trays further comprise exposed sides capable of displaying advertising.

Claim 10 (original) The method of claim 6, wherein one or more of said tray carts is adapted to permit substantial visual inspection of a plurality of trays placed thereon.

Claim 11 (original) The method of claim 6, wherein said tray carts are adapted to be rollable.

Claim 12 (original) The method of claim 6, further comprising the step of repositioning said second tray cart from said distal end to said proximate end.

Claim 13 (original) The method of claim 6, wherein a plurality of said trays are adapted to receive an item selected from the group consisting of a laptop computer, a video camera, a camera, a purse, a coat, a pair shoes, and an umbrella.
